Team,

Per our call today, Sheila sent Dan and Mary a proposed schedule for a recurring Thursday meeting to go over the factual determinations. This would give us some time beforehand to review the specific subpart so we can be ready during the Thursday meeting with Corps and USWS to provide comments to the Corps. Please look at the attached .pdf (starts on page 2) and let me know if that will work for you. If so, I will go ahead and schedule some recurring 3 hr Skype meetings so we can use that time to review the subparts and fill out the spreadsheet Matt is working on. I will also schedule a meeting prior to the Thursday one where we can brief Dan on our comments prior to the start of the joint meeting.

Thanks
